

APCIA ANNUAL MEETING

OCTOBER 5-7, 2025
ORLANDO

THE MANY FACETS OF RISK

The industry gathers at this yearly gathering to explore the economic, political, technological and other forces affecting property casualty insurers, hold business meetings, and learn about products and services from event exhibitors.

WHO SHOULD ATTEND?

- Chief Executive Officers
- Chief Financial Officers
- Chief Operating Officers
- Reinsurance Executives
- Insurance Brokers
- Business Development Managers
- Government Relations Executives
- General Counsels

BENEFITS OF ATTENDING

- Join property casualty insurers, reinsurers, and brokers from throughout the industry and across the country.
- Hear from a strong lineup of speakers on political, economic, and industry topics.
- Network and exchange ideas with colleagues from across the industry.
- Learn about products and services from our event exhibitors.

2024 ATTENDEES SAID

"It's a great program with interesting topics and engaging speakers."

"I get a lot out of the networking opportunities."

"The opportunity to meet with reinsurance partners in one location makes it a very efficient use of time."

"Great value for the time commitment."
